

Corridor-Wide Construction Update December 2015

Please see below for the latest construction updates for the 75 Express Construction Project.

NW 170 Street to South of Miramar Parkway (Segment A&B)

Upcoming Activities:

The contractor will continue bridge construction at the Snake Creek Canal and Express Lanes bridges over Florida's Turnpike. Construction crews continue building new direct connect bridges and future Express lanes within existing median. In addition, the completion of Sound Walls along the Turnpike is ongoing.

South of Miramar Parkway to South of Sheridan Street (Segment C)

Upcoming Activities:

Miramar Parkway interchange Phase 2 construction is in progress with beam placement and deck construction. Pembroke Road bridge construction continues with deck construction. Crews will continue with drainage, embankment and tolling sites activities in the median for the new Express Lanes.

South of Sheridan Street to North of Griffin Road (Segment D)

Upcoming Activities:

Construction crews continue drainage activities and embankment placement in the median. Sheridan Street interchange Phase 2 construction and bridge demolition will continue throughout the month of December.

North of Griffin Road to I-595 (Segment E)

Upcoming Activities:

The contractor continues building the future Express Lanes in the existing median. Other activities include excavation near Royal Palm Boulevard to create ponds for future drainage. Crews will also continue deck construction on the new bridge that will connect 595 Express to 75 Express.

This schedule is subject to change due to weather and/or unforeseen circumstances
