

## Corridor-Wide Construction Update October 2015

Please see below for the latest construction updates for the 75 Express Construction Project.

### *NW 170 Street to South of Miramar Parkway (Segment A&B)*

#### **Upcoming Activities:**

The contractor will continue bridge construction at the Snake Creek Canal Bridge and Express Lanes bridges over Florida's Turnpike. Construction crews continue building new direct connect bridges and future Express lanes within existing median. Sound barrier wall construction is underway along Florida's Turnpike and is expected to be completed in 9 weeks.

### *South of Miramar Parkway to South of Sheridan Street (Segment C)*

#### **Upcoming Activities:**

Miramar Parkway Phase 2 construction is in progress. In October, crews will close all lanes of I-75 at Pines Boulevard in order to set overhead beams for the new Pembroke Road bridge. In order to perform this work safely, traffic will be detoured during the following dates and times:

- All lanes of I-75 southbound at Pines Boulevard will be closed nightly from 11 p.m. to 6 a.m. on Monday, October 12 and Wednesday, October 14. Motorists on I-75 southbound will be detoured at Pines Boulevard (Exit 9B) and can continue west on Pines Boulevard to Dykes Road, south on Dykes Road to Miramar Parkway and east on Miramar Parkway to re-enter I-75 southbound. Motorists will also be able to take the exit ramp at Pines Boulevard East (Exit 9A), continue eastbound to SW

145 Avenue, then south on SW 145 Avenue to Miramar Parkway and west on Miramar Parkway to re-enter I-75 southbound.

**South of Sheridan Street to North of Griffin Road (Segment D)**

**Upcoming Activities:**

Construction crews continue drainage activities and embankment placement in the median. Sheridan Street interchange Phase 1 construction will continue for the next few months. The contractor continues installing ITS conduit throughout the segment. Pond excavation continues at the Sheridan Street and Griffin Road interchanges.

**North of Griffin Road to I-595 (Segment E)**

**Upcoming Activities:**

The Florida Department of Transportation (FDOT) is scheduled to close lanes of I-595 and State Road 84 to deliver beams for the new bridge from 75 Express to 595 Express. In order to perform this work safely, traffic will be detoured during the following dates and times:

- **Eastbound I-595 east of Sawgrass Expressway**
  - All eastbound lanes along I-595 east of the Sawgrass Expressway will be closed from 10:30 p.m. to 12:30 a.m. Thursday, October 8. Motorists will be detoured to take the exit ramp at Glades Parkway (Exit 22), continue eastbound on SR 84 to SW 136 Avenue to re-enter I-595 eastbound. Please follow the posted detour. *\*Please note, I-595 eastbound to Sawgrass Expressway northbound will remain open.*
- **Entrance Ramp from Weston Road to Eastbound I-595**
  - SR 84 eastbound serving Weston Road to eastbound I-595 will be closed nightly from 10:30 p.m. to 12:30 a.m. on Thursday, October 8. Motorists will need to continue eastbound on SR 84 to enter eastbound I-595, just east of SW 136 Avenue.
- **SR 84 west of SW 148 Avenue**
  - One lane of eastbound SR 84 west of SW 148 Avenue will be closed nightly from 6:00 p.m. to 5:30 a.m. on Thursday, October 8.

**This schedule is subject to change due to weather and/or unforeseen circumstances**
