## New Express Lanes on I-75 from north of NW 138<sup>th</sup> Street to I-595

The Florida Department of Transportation (FDOT) has constructed express lanes along I-75 from north of NW 138<sup>th</sup> Street, in Miami-Dade County, to I-595, in Broward County. The new express lanes consist of two lanes in each direction. Prior to entering the I-75 Express Lanes, overhead signs will display the cost to use the express lanes when driving to one or more destinations. Customers must have an active and properly mounted SunPass or another interoperable transponder. Cash or TOLL-BY-PLATE is not accepted in the express lanes and only two-axle vehicles are permitted.
